## Important Notice

1. The business scope of commercial entities is determined by the articles of incorporation. For items within the scope of business that are subject to approval as required by laws and regulations, relevant business activities can only be carried out after obtaining the approval documents.
2. For commercial entities' business scope and licensing approval items and other related enterprise information matters, annual report information and other credit information, please log in to the National Enterprise Credit Information Publicity System in the lower left corner or scan the QR code in the upper right corner to inquire.
3. All types of commercial entities must submit an annual report for a calendar year to the registration authority within two months of the anniversary of establishment each year. Enterprises shall publicize enterprise information to the ceremony in accordance with the provisions of Article 10 of the "Interim Regulations on the Disclosure of Enterprise Information".
